Re: Geo. V Hamilton, Inc. Asbestos Trust- Payment Percentage Reconsideration

To Claimants and Claimants' counsel:

Section 4.3 of the TDP provides in part that: "At least thirty (30) days prior to proposing in writing to the TAC and the FCR a change in the Payment Percentage, the Trustee shall issue a written notice to claimants or claimants' counsel indicating that the Trustee is reconsidering such Payment Percentage. During the period of time when the Trustee is contemplating a change in the Payment Percentage, the Asbestos Trust shall continue processing claims and making offers in a manner consistent with its normal course of business."

The Trustee is reconsidering the Payment Percentage. The Trustee has not made a determination of whether he will recommend a change to the Payment Percentage.
